**DECLARATION OF DAVID  
MANGOLD IN SUPPORT OF  
PLAINTIFFS' MOTION FOR  
INJUNCTION PENDING APPEAL**

I, David Mangold, state and declare as follows:

1. I am a resident of Beaverton, Oregon and have personal knowledge of the facts set forth below.
2. I am owner and chief pilot of Northwest Aerial Imagery, LLC, a company which provides imagery services in the Pacific Northwest using unmanned aerial systems (UAS), informally referred to as drones. I started this business in January, 2017 and have since completed dozens of projects across the State of Oregon. During this time, I have exercised strict adherence to all Federal Aviation Administration (and other agency) guidelines and have experienced no complaints or mishaps. The scope of my projects ranges from wedding videos to aerial mapping projects for nation-wide companies.
3. On the morning of July 2, 2017, I captured footage of the Lostine River Valley during a series of flights for Oregon Wild at several different locations along the final (south-most) five miles of the Lostine Road (Forest Road 8120), south of Lostine, Oregon.
4. Attached as Exhibit 1 are six photographs from the UAS footage.
5. Attached as Exhibit 2 is a table indicating the precise location and orientation of the UAS camera when each image from Exhibit 1 was captured.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed on this 2<sup>nd</sup> day of October 2018.
